List of theorems

List of examples

List of exercises

This is the first section

Exercise 1

This is the first exercise. Have also a look at the Theorem 1.1, the exercise 2 and the exercise 3.

Theorem 1.1: Needed for the second exercise

This is a the first theorem. Look at the exercise.

Exercise 2 *(This is the second exercise)*

Use *theorem 1.1* page %p

Example 1 This is the first example of the first section
Example 2 This is the second example of the first section

This is the second section

Example 1 This is the first example of the second section

> *Theorem 2.1*
>
> Another theorem. Can be useful in exercise 1
>
> *Theorem 2.2*
>
> A last theorem.

Example 2 This is the second example of the second section

Exercise 3

This is the third exercise.
